

Lac120

Linear actuator for car, for windows

★ Features

Adjustable stroke

No sensor

Acme screw

Self-locking

Water & dust resistant

Enhanced antirust quality

High performance & service life

High precision

★ Spec.

Actuator Type	Rod type					
Stroke length	12"	10"		6"	4	2
Optimal stroke	11"~12"	9"~10"	7"~8"	5"~6"	3"~4"	1"~2"
Static Load	1,470N					
Load capacity	490N					
Dynamic load	980N					
Speed(Non-load)	9mm/sec.					
Resolution	-					
Input Voltage	12VDC					
Load current	≤2.5A					
Duty cycle	20%					

Option

Stroke length:2"/4" 6"/ 8"/10"/ 12" (inch)

Voltage : 12 VDC

Sensor type : No Sensor

Drive screw : Acme

★ Rating

Operating temperature: from -15 to 50°C

★Packaging

Packing spec.	58x30x34(cm)
---------------	--------------

Weight	10pcs/box
